

Urgent care center and after-hours clinics

Sometimes you need to see a doctor for injuries and illnesses that are probably not emergencies but need to be treated within 24 hours.

If you are not sure where to get care, call our 24-hour Nurse HelpLine at 1-855-712-6700 (TTY 7-1-1) to talk to a nurse for help.

If your doctor's office is closed and you need care within 24 hours, you can go to an urgent care center or after-hours clinic.

You can get care for common illnesses like fevers, colds or flu, stomach problems, sinus problems, earaches or urinary tract infections, and injuries like strains, burns, cuts, bites or sprains.

You don't need a referral or an appointment, just make sure you go to a clinic that takes Dell Children's Health Plan. Use this list to find an urgent care or after-hours clinic near you that is in our network.

For the most current list of our network providers, visit [DellChildrensHealthPlan.com](https://www.DellChildrensHealthPlan.com) and select "Find a Doctor" or call Member Services at 1-855-921-6284 (TTY 7-1-1) Monday through Friday from 8 a.m. to 6 p.m. Central time for help. Always remember to call your doctor within 24 hours after you visit an urgent care center or after-hours clinic.

If you have an emergency, you should call 9-1-1 or go to the nearest hospital emergency room right away.
