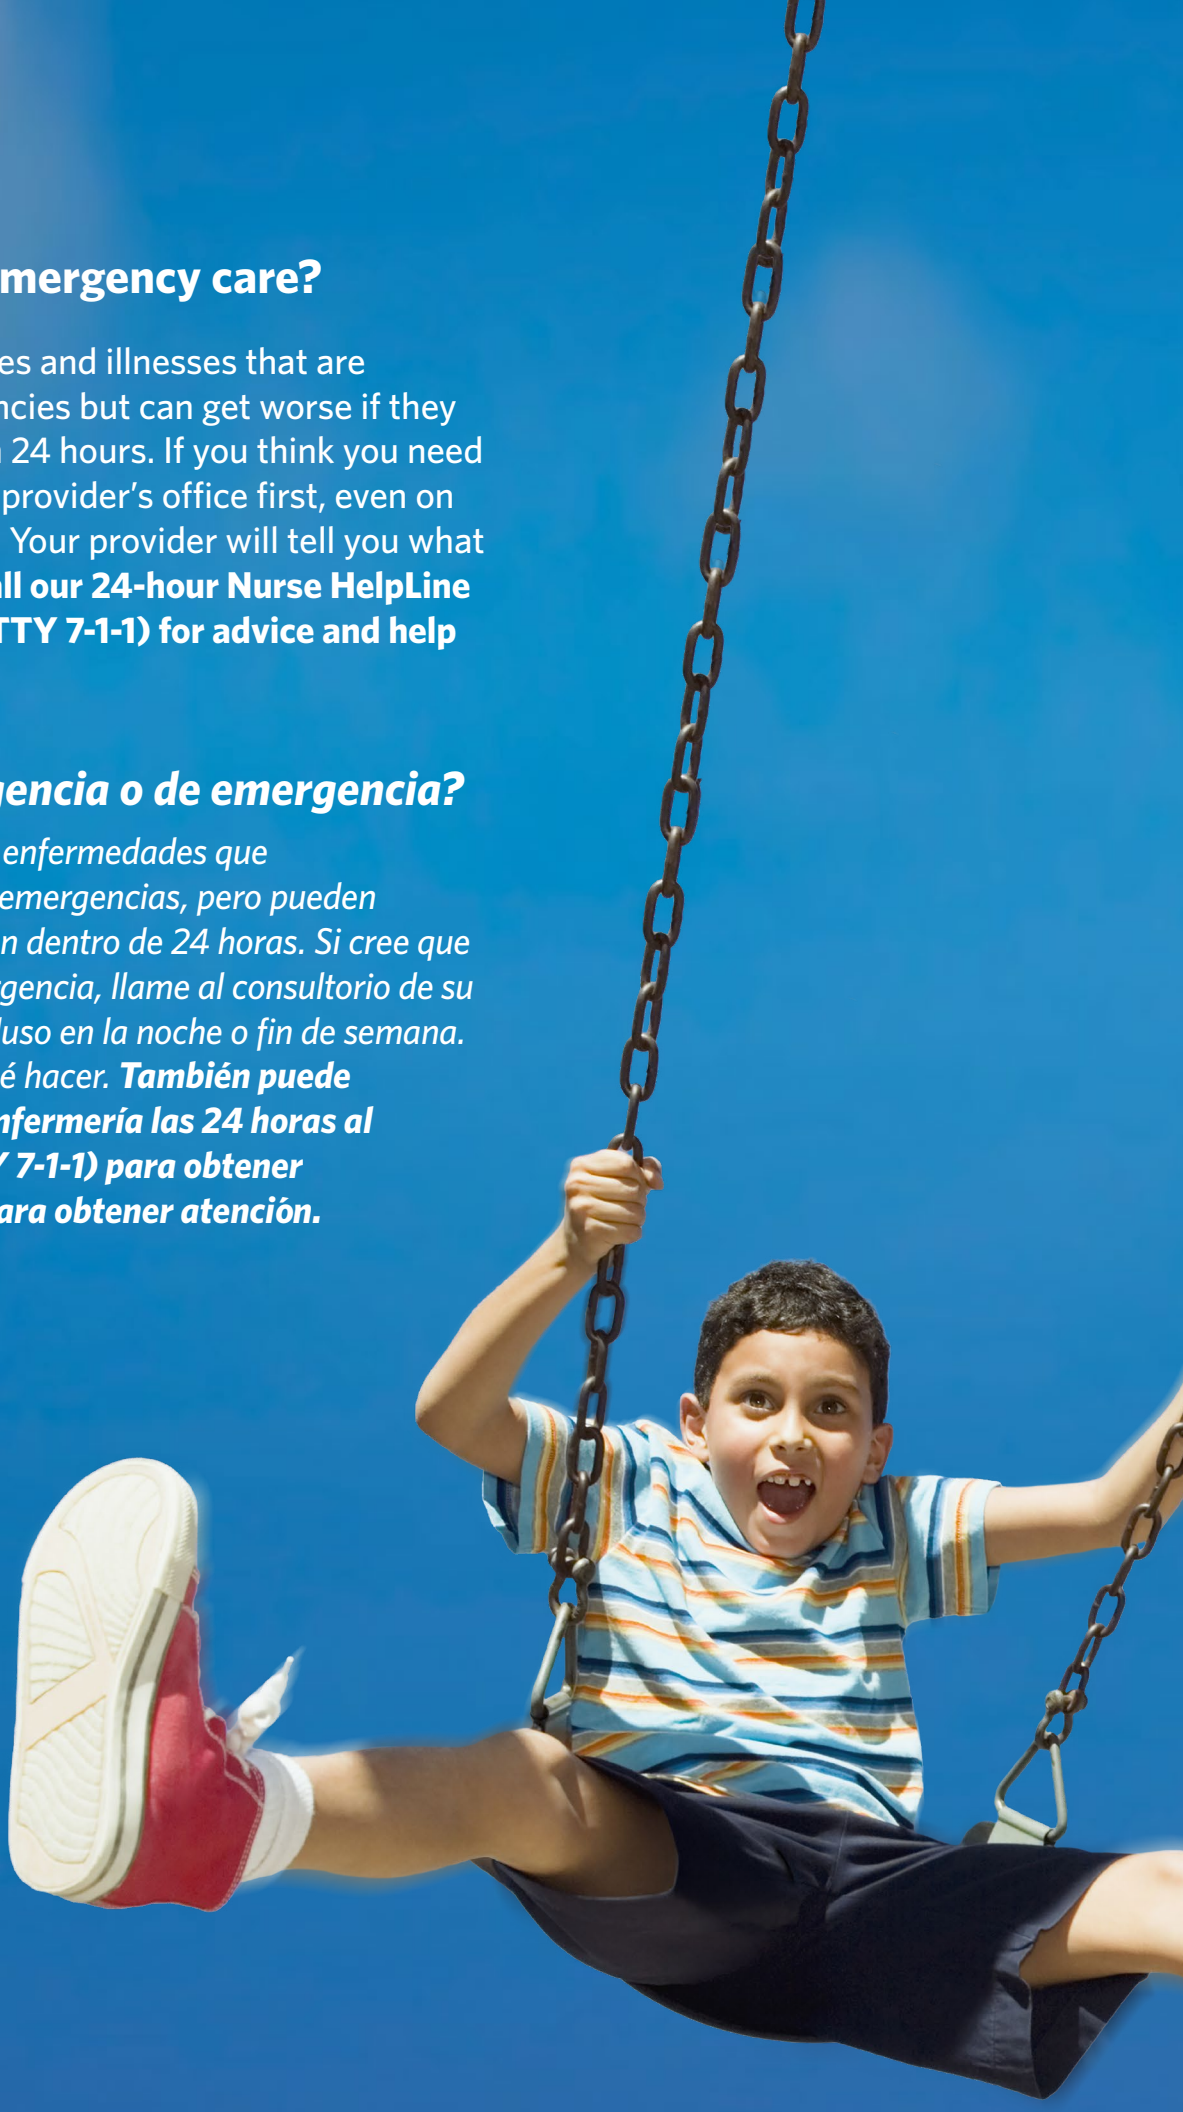
Urgent care or emergency care?

There are some injuries and illnesses that are probably not emergencies but can get worse if they are not treated within 24 hours. If you think you need urgent care, call your provider's office first, even on nights and weekends. Your provider will tell you what to do. **You can also call our 24-hour Nurse HelpLine at 1-855-712-6700 (TTY 7-1-1) for advice and help getting care.**

¿Atención de urgencia o de emergencia?

Hay algunas lesiones y enfermedades que probablemente no son emergencias, pero pueden empeorar si no se tratan dentro de 24 horas. Si cree que necesita atención de urgencia, llame al consultorio de su proveedor primero, incluso en la noche o fin de semana. Su proveedor le dirá qué hacer. ***También puede llamar a la Línea de Enfermería las 24 horas al 1-855-712-6700 (TTY 7-1-1) para obtener orientación y ayuda para obtener atención.***



Services / Servicios

Dell Children's Health Plan services: **CHIP**

This provider directory lists all CHIP Dell Children's Health Plan providers. It also lists clinics, specialists and hospitals. These providers are in-network. Dell Children's Health Plan may not pay for your health care if you go to a provider not in this book.

How to choose a primary care provider (PCP)

Dell Children's Health Plan makes it easy for you to choose a family doctor called a primary care provider. Pick a primary care provider from the list in this book. Each family member eligible for the CHIP program can pick his or her own primary care provider.

Dell Children's Health Plan Member Services can help you pick a provider. You can call 1-855-921-6284 (TTY 7-1-1).

Get the right care for your child

We're here to help you with your child's health care. Your child's healthcare benefits include: a primary care provider you choose from our network, prescription drugs, well care, hospitalizations, specialist referrals and immunizations.

OB-GYN services

Your daughter can choose an OB-GYN from the list in this book without a referral from her primary care provider. She can get the following services: one well-woman checkup a year, care for any female-related health condition, referrals to specialists in our network and care during pregnancy.

She can even choose an OB-GYN as her PCP. Call us at 1-855-921-6284 (TTY 7-1-1) and tell us which OB-GYN she wants as her PCP.

Behavioral health services

You can also get services related to behavioral health or substance use disorder without a referral from a primary care provider. We will: tell you how to get help and give you the name of a provider

You can call 24 hours a day, seven days a week at 1-800-424-1764 (TTY 7-1-1) for help.

Servicios de Dell Children's Health Plan: **CHIP**

Este directorio registra a todos los proveedores CHIP de Dell Children's Health Plan. También incluye clínicas, especialistas y hospitales. Estos proveedores están dentro de la red. Cómo elegir a un proveedor de atención primaria:

Servicios para miembros de Dell Children's Health Plan pueden ayudarlo a elegir un proveedor. Puede llamar al 1-855-921-6284 (TTY 7-1-1).

Obtenga la atención adecuada para sus hijos

Estamos aquí para ayudar con la atención médica de su hijo, que incluyen: un proveedor de atención primaria que elija de nuestra red, medicamentos con receta médica, chequeos del niño sano, hospitalizaciones, remisión a especialistas y vacunas.

Servicios de obstetricia y ginecología

Su hija puede elegir un ginecólogo u obstetra de la lista de este libro, sin necesidad de obtener una remisión para los siguientes servicios: un chequeo anual para la mujer sana, atención a condición médica femenina, remisión a especialistas de nuestra red y atención durante el embarazo.

Incluso puede elegir al ginecólogo como su proveedor de atención primaria. Llame al 1-855-921-6284 (TTY 7-1-1) y elija un ginecólogo como proveedor de atención primaria.

Servicios de salud conductual

También puede obtener servicios relacionados con la salud conductual o un trastorno de uso de sustancias sin remisión de un proveedor de atención primaria. Haremos lo siguiente: asesorarle en cómo conseguir ayuda y darle el nombre de un proveedor.

Llame al 1-800-424-1764 (TTY 7-1-1) las 24 horas, los siete días de la semana para ayuda.
